### **Administrative**

1. To administer the internal functions required by all City Departments and agencies in a comprehensive cost effective manner.
2. Insure the efficient expenditure of public funds by maintaining centralized acquisition of materials, supplies, equipment and services.
3. To manage City assets through timely and effective procurement, accurate inventory and final dispensation and disposal of such.

### **Activities**

1. The Division of Inventory & Stores is a centralized division responsible for fuel and automotive parts stock room. Being centralized allows our division to work closely with Purchasing Division to secure pricing for fuel and parts in volume buying, while monitoring the usage and need of all departments. Creates a check and balance system between users being ordering department and our stock room. Monitoring is done to assure parts and fuel usage is within reason for all city fleet saving the taxpayers dollars.
